

ABOLFAZL MAHMOUDI

FRONTEND DEVELOPER

+98 994 446 5974 | abolfz.dev@gmail.com | Iran, Qom

SUMMARY

Frontend Developer focused on building production-ready web applications with React, Next.js, and TypeScript. Experienced in developing real-world financial and user-facing products, integrating REST APIs and backend services, and working with authentication, data fetching, forms, validation, and state management. Comfortable turning product requirements into responsive, maintainable interfaces and working across the frontend stack from UI implementation to API integration.
